Lions Foundation Of Canada Dog Guides Lions Foundation of Canada Dog Guides trains Dog Guides and assists Canadians with a wide range of disabilities. With seven programs in place, Canadians with disabilities are offered the opportunity to find greater independence, mobility, and safety through the help of a Dog Guide.

Depending on the program, Dog Guides are trained to perform a set of basic skills that are useful to all handlers. However, some of their training is also tailored to meet the specific needs of their future handler. In the final stage of training, the client and the Dog Guide train and live together at the Oakville facility for two to four weeks. This helps to ensure that the new working team develops a bond and is prepared for their next step.
