## SEASON'S GREETINGS

It has been another unprecedented year for all of us. During this season, let's take time to reflect upon the good things we have... For me, the holidays are filled with my grandfather's wisdom, my grandmother's holiday cakes, my parent's endless love, my sibling's infectious laughter and the joy on the faces of my grandchildren. These are my most precious treasures in the world.

Always remember that family and friends are the most valuable of all gifts so take this time to remember and spend time with your loved ones.

It is also a time to reflect on those less fortunate, those without a home, whose lives are not filled with family, laughter, joy, love, and friendship. Consider those who need our help - whether it's helping at a local food bank, serving meals at your local soup kitchen; donating gently used clothing; driving others to an appointment, shoveling snow for your neighbor, or opening up your wallet.

It all starts with you. Do that little extra this season to bring the laughter, joy, love, friendship, sincerity, and generosity to all. I Thank You for your dedication and your Service.

Quoting International President Douglas X. Alexander- “ Lions are a family like no other. And with our hearts united in service, we will lift up our communities all over the world. Because in times of great need, only a greater passion for service can make the world a better place for all people”

May you and your family enjoy and cherish those moments together and may your home be full of love, laughter, and friendship. Season’s greetings and all the best in 2022.

Lion Cathy Anderson  
Multiple District Council Chair 2021-2022

---

## Floods Devastating British Columbia

Good evening, Lions and Lions Clubs within Multiple District C:

Once again, our neighbors to the West have been dealing with an unprecedented weather which has led to devastating flooding within the province.

They need your help.

Please read the following message and do whatever you can do to support them thru this difficult time.

Thank You

Lion Cathy Anderson  
Multiple District Council Chair 2021-2022

## Calling on all Lions and Lions Clubs within Multiple District C

### *Where there’s a need there’s a Lion*

Good morning from what some people refer to as the Wet Coast. We have more than lived up to that name in the past week. In forty-eight hours, the immediate area I live in (Chilliwack BC) received around 300mm of rain. A city and a town have been flooded and vast tracts of farming area have been flooded displacing thousands of cattle. Everything you may have seen on the news is real.

What is also real is the resiliency and ingenuity of people. The night before last a major pump system was in danger of being flooded, which would have resulted in another four to five metres of water added to the mess. The word went out and sometime after midnight three hundred volunteers showed up, individually, and helped build a sandbag wall more than two metres high to protect the building, in less than three hours.

I have been asked many times “What can we do?” Right now, situations are being assessed. As the water recedes the needs will become clearer. We know that the major issue is drinking water. That is what caused the city of Merritt to be evacuated. Their domestic water system and their waste treatment plant

compromised each other. Similar situations exist in large areas.

At this moment in time the very best thing that our Lions can do to help as these areas recover, is to contribute to the Lions of Canada Fund for LCIF. [www.lionsofcanadafundforlcif.ca](http://www.lionsofcanadafundforlcif.ca) We know that absolutely every cent donated goes to those in need. **Feel free to share this information with your Lions Clubs and everyone else who is not a Lion yet.**

VP Dr. Patti Hill and Rebecca Daou, Executive Director LCIF are following this challenging situation closely. Rebecca's team are fully engaged and standby to assist wherever possible.

If you have any questions, feel free to contact me directly via email or 604-316-1368

Regards

ID Allan Hunt [allansiphone4s@gmail.com](mailto:allansiphone4s@gmail.com)

## **Advanced Lions Leadership Institute – ALLI**

### **Purpose of the Advanced Lions Leadership Institute (ALLI)**

The purpose of the Advanced Lions Leadership Institute is to provide Lions leaders with an opportunity to enhance skills in preparation for leadership responsibilities at the zone, region, and district levels.

I would encourage anyone who is interested in this training which will benefit you both in your Lions activities and your personal life to consider applying.

The other benefit is that its being held in Calgary and that's just short trip to attend.

Location: Calgary, AB, Canada

Dates: March 26-28, 2022

Application Due Date: **December 26, 2021**

**The application form for this training can be found on MD C website by clicking on this link [www.mdclions.org/training](http://www.mdclions.org/training)**

---

## **MD C Lions Cavalcade for Diabetes Awareness Committee Receives 2021 Collaboration Award from Diabetes Canada**

On December 6, 2021, at a virtual session Diabetes Canada will be presenting the MD C Lions Cavalcade for Diabetes Awareness committee with a 2021 Collaboration Award.

We thank all the Lions clubs and individuals who have supported Lions Cavalcade for Diabetes Awareness over the many years that we have been raising funds to assist Diabetes Canada to

provide Diabetes Awareness to Lions of MD C and others.

I have included the body of the letter we received from Diabetes Canada below.

*November 2, 2021*

*Multiple District C Lions Cavalcade for Diabetes Awareness*

*c/o Lion Dennis Stevenson, PCC*

*Via email: pdg37e@sunraybase.ca*

*Dear Mr. Stevenson,*

*On behalf of Diabetes Canada and the National Awards Review Committee, I am honoured to share the news that Multiple District C Lions Cavalcade for Diabetes Awareness has been selected to be this years recipient of the Collaboration Award in recognition of your groups outstanding efforts in making the invisible epidemic of diabetes visible and urgent.*

*The Collaboration Award honors an outstanding example of collaboration within Diabetes Canada and/or the diabetes community and recognizes the efforts to further a project or work that relates to the strategic direction of Diabetes Canada.*

*We are arranging to have Multiple District C Lions Cavalcade for Diabetes Awareness` award delivered to you. We hope you or a group representative will be able to join us at the Virtual National Award Ceremony on Monday, December 6 (TBC) where we will formally present and recognize your contributions. We offer our congratulations and hope you are keeping well.*

*We truly appreciate the passion of Multiple District C Lions Cavalcade for Diabetes Awareness for this cause and the dedication to helping improve the lives of Canadians who are living with diabetes or prediabetes. Together, we can, and we will, End Diabetes.*

*With my deepest gratitude,*

*Nafisa Merali*

*National Awards Review Committee Co-Chair*

*Board Director*

Dennis Stevenson, PCC

MD C Lions Cavalcade for Diabetes Awareness Chairperson

---

## **Multiple District C Council**

### **November 7, 2021**

### **Meeting Reports**

#### **MCAT Grant – Submitted by IPCC Tyler Bray**

A total of \$149,000.00 was originally donated for the Ft. MacMurray wildfire.

\$134,000.00 came from LCIF

\$15,000.00 came from LOAF

To date a total of \$117,068.92 has been donated to a new playground in Ft. MacMurray.

MDC has been sitting on MCAT dollars and donations. We had reviewed all existing documentation but could not find any invoices for the remaining dollars we are holding. The Municipality of Wood Buffalo has been slow to respond to us.

In September of this year, we were advised that the Municipality had let go their CAO and have fired someone new. The remaining invoices have been located and sent to us, allowing us to free up money we have been sitting on.

We are on working on obtaining detailed invoices from the suppliers that provided the playground equipment in the first place. LCIF requires copies of these invoices.

We are getting closer to closing out the MCAT grant and its reporting requirements.

VCC Frances Sawiak has been extremely helpful in facilitating better communication with the Municipality of Wood Buffalo.

## 2022 USA/Canada Leadership Forum

### Submitted by IPCC Tyler Bray

The 2022 Forum planning committee attended Calgary between October 20-24<sup>th</sup>, 2021.

There was much discussion and planning initiated. We are all working hard to make the 2022 USA/Canada Lions Leadership forum a very successful event.

The forum strides walk proceeds will stay here in our MDC area and is slated to assist children to attend the Camp Jean Nelson.

We are looking for Facilitators and moderators. All names should be submitted to PCC Sharon West.

As of the end of October 2021, we now have 565 Lions preregistered for the 2022 Forum.

We would be happy to attend any Lions club meeting, via Zoom, to speak on the forum. As well, we will be hopefully apart of both District and MDC conventions.

Our Host forum pin is now available to purchase. Please visit our Host web page at [www.2022lionsleadershipforum.com](http://www.2022lionsleadershipforum.com)

Volunteer registration is now on the web site as well.

This is an MDC event, and I would encourage Lions to be a part of our 2022 Leadership forum. We will be needing approximately 300-500 volunteers.

## District Governor Updates

### DC-2 – DG Michelle Harris

I have been to a few clubs since last meeting. Have had the pleasure of in person visits with Calgary Westwinds, Calgary Southridge, Blairmore, Lethbridge, Mossleigh, Claresholm, and Nanton. I have had zoom meetings with Calgary Woodcreek, Coleman, Calgary Heritage, Foothills, Calgary NE Opener. The team also went to Calgary Wildrose Charter and had a great time. I also did an induction service for Calgary Westwind's and Blairmore, as we as installed officers of the Calgary Westwind's club.

I continue to work with my team, so that we can reach all the clubs. We have regular zoom meetings with PIP Brian, as well as PDG Brent, about membership.

The convention committee is also meeting regularly to ensure a great convention.

I am also involved with PID Pat Vannet and Thirsty Thursday's and other DG's in the Constitutional Area, as well as my team. We are also involved with Canadian Conversation, and the Lions of Canada Consultative committee.

## Global Action Team (GAT)

### GST - Lion Dave Leshchyshyn

As Clubs just started to get ramped up for this Lionistic year, restrictions were relaxed, things were opening, Covid numbers increased in late summer and our Clubs activities were put on hiatus again!

However, in the brief time Clubs could engage the public again, many took advantage and reaped the benefits of their Service. Clubs I've spoken with, or read their reports on MyLion, indicated great attendance and increased revenues from their Service activities. The benefits of being prepared to engage the public once things opened. Food collection has been the focus of many Clubs in the Multiple District, and I'm sure will continue to be the Service of choice going into the Christmas season. This bodes well for Lions bringing awareness to our Pillar of Global Service, hunger, and rolling right into Hunger Awareness Month in January.

October was busy with another Pillar of Global Service, Vision. October was vision awareness month, October 14<sup>th</sup> was World Sight Day, and October 15<sup>th</sup> was White Cane Safety Day. Information was passed on to the District GST's to share with the Clubs in their Districts. Hopefully this may have spurred some Clubs to create activities to promote vision awareness, vision screening, eyeglass collection, etc. I await reports on MyLion. Lions Clubs will have another chance to bring awareness to the White Cane as the first full week in February is White Cane Week in Canada. The month of November is Diabetes Awareness month and I have asked the District GST's to promote this to the Clubs as well.

The Multiple District C nominee for the Kindness Matters Service Award has been forwarded to Lions Clubs International. Best of luck to the Edmonton Host Lions Club for their collaboration with the Alberta Avenue Community League's "Hub Night", where 125 take out meals were prepared and distributed to the less fortunate in attendance. The Club also distributed 60 Lions Personal Care Kits to people living rough on the streets of Edmonton's Inner City. Truly a great Service Project and worthy of a Kindness Matters Service Award. The winners will be announced sometime in January.

Reporting activities on MyLion continues to be of great concern in the Multiple District with 113 of 181 Clubs NOT reporting their Service for the past 12 months or more. Many Clubs have had activities since the start of this Lionistic year but still have not reported on MyLion. The District GST's have said they are communicating with Clubs in this regard, helping where possible, but still coming up against resistance to MyLion. More training on MyLion may help some responsible for reporting, however, many "seasoned" members don't seem to care about reporting. What's the answer?

The District C-1 GST report is attached. No report was received from the District C-2 Service Co-ordinator.

GST Report July 1, 2021, to October 31, 2021

I am finding mostly a one-way street contacting the Lions Clubs in District C1. I have telephoned, sent E-Mail, and used the Lions Link sending information to the clubs. In many instances telephone calls are not returned similarly very little E-Mail feedback.

I have sent the payment instructions for international dues to all the clubs however there are still several clubs with international dues outstanding. I have followed up with the following clubs who have paid their dues, Consort, Edmonton Northgate, Alberta beach and Radway.

Many of the rural clubs are not having meetings face to face due to the covid problem and many have not tried the Zoom type meeting due to internet problems. Many Lions have limited and slow services on the internet and are not prepared to try.

Many members are not receiving the Lions Link particularly those not on the direct listing. The Presidents or Secretaries are not passing the information on.

I have forwarded design instructions to all the clubs to enable stands to be made for the aluminium signs that were mailed or delivered to all District C1 clubs. I am in process of investigating the so called non receipt of signs for a few clubs

MMR and activity reporting remains a major problem. It appears to be evident that many club Presidents and Secretaries have limited computer skills and if they have any difficulty just do not bother to try to undertake input.

I still think that we should do what is done in Australia where clubs with input difficulties send a report to a central point and the input is completed for them. We should follow this example.

Lion Brian Barnes, District C-1 Service Co-ordinator

## Advisors Reports

PIP Judge Brian Stevenson

Subject to possible developments arising at the International Board Meeting held on October 28-31, there are no additional items to report.

Past International Director A.P. Singh continues to be the favored candidate for International Third Vice President to be elected at our 104<sup>th</sup> International Convention to be held June 24-28, 2022, in Montreal, Canada.

Our delegation from MD C will be housed in the Sheraton Hotel, 1201 Rene Levesque Boulevard W., a 10-minute walk from the Bell Centre (.2 km/.1 mi). It is the Convention Headquarters Hotel.

Convention Registration forms are now available at: LCIcon2022.

## Long Range Planning – PCC Lynne Coulter

S.W.O.T. Analysis

<p><u>Strengths</u></p> <ul style="list-style-type: none"> <li>*Many clubs have mastered ZOOM</li> <li>*ZOOM easier to use than TEAMS or other similar platforms</li> <li>*Most clubs have access to email</li> <li>*MD C, C-1, C-2 all have websites, newsletters, email contacts</li> <li>*Workshops can be conducted on-line</li> <li>*C-2 has a member portal, will soon have on-line directory &amp; hard copy directory</li> <li>*LCI MyLion is a useful platform</li> <li>*ZOOM accounts available to clubs &amp; members</li> <li>*Most schools have upgraded too high-speed</li> <li>*LCI provides e-clubhouse platform free of charge</li> </ul>	<p><u>Weaknesses</u></p> <ul style="list-style-type: none"> <li>*Not all clubs have access to high-speed; 5% still on dial-up</li> <li>*Dial-up limits download speed &amp; capacity</li> <li>*Actual technological capability unknown; we don't know what we don't know</li> <li>*Some members do not have printers</li> <li>*Not all clubs &amp; members take full advantage of available technology</li> <li>*Newsletters not received by all</li> <li>*There is selective circulation of information</li> <li>*Not all info or data is current</li> <li>*Estimated that 2/3 of all clubs are not reporting activities</li> <li>*Positions at District &amp; Club level left unfilled</li> <li>*Low club membership levels prevent filling of all positions or ability to take advantage of training by technology</li> </ul>
<p><u>Opportunities</u></p> <ul style="list-style-type: none"> <li>*Training is available for use of platforms such as ZOOM, MyLion</li> <li>*Technology training can be available during DG &amp; ZC visits, COTS</li> <li>*Clubs could provide computers &amp; printers c/w training to senior's centers &amp; residences, libraries, community groups, persons with handicaps, shut-ins; could be considered a service project as well as a donation</li> <li>*Availability of on-line of Guiding Lion training, Lions Learning Centre, Lions University</li> </ul>	<p><u>Threats</u></p> <ul style="list-style-type: none"> <li>*Reluctance to learn..."I can't, I don't, or I won't"</li> <li>*Platforms such as ZOOM replaces face-to-face meetings unnecessarily</li> <li>*Technology seen as a "threat"</li> <li>*Hearing &amp; vision impairments sometimes a barrier to use of technology</li> </ul>

*Ability to connect with members & clubs across the district, multiple district, country or the world	
---	--

## Historian & Archives – PDGs Dan Claypool & Eric Buttle

Due the postponement of the District Conventions, we have nothing to report currently.

## LCIF/Campaign 100 Report – PCC Sharon West

On October 24<sup>th</sup> we held our Campaign 100 LCIF overview training with both Districts represented. The training was quite informative and successful. The training was recorded, and we hope to have the power point available for those wanting a copy soon.

On January 13, 2022, it will be our founder Melvin Jones 143<sup>rd</sup> birthday and we have been discussing ways to celebrate that day either through personal or club donations or the purchasing a Melvin Jones Fellowship for either a deserving lion or a member of the community that has made a significant contribution.

In June 2022 we will once again be holding a Tell -A-Thon which proved to be very successful last year. More information will follow as the plans proceed.

We are entering our final year for Campaign 100 to reach our goal to raise US\$300 million globally. To date we have raised US\$232,317,125. which is 77.4% of our goal as of October 25, 2021

Lion Club Participation from 7/1/2021 to 30/9/2021 of our current year:

District	Number of Clubs	Clubs Donating	Percentage	Amount
C1	94	11	11.70	\$8913.18
C2	87	10	11.49	\$3439.19
Totals	181	21	11.60	\$12,352.37

General overview of Multiple District C to date:

Total Funds Raised \$374,519.86: Cash & Pledge Balances \$371,045.78: Cash Received \$366,946.82

Model Clubs 12: % of Clubs Donated 57.46%: % of Members Donated 3.19%

## Lions Quest – 1<sup>st</sup> VDG Suzanne Leshchyshyn

Lions Quest Donations 2020-21 (as of September 30, 2021)

District		Number of Clubs Donating	2020-21 Total Donations	Percentage Participating
C1	106	0	\$ 20.00	0.0%
C2	80	2	\$ 6,300.00	2.5%
<b>Multiple District Totals</b>			<b>\$ 6,320.00</b>	

### Report Lions Quest C2 Chair – Lucy Johnson

- Zoom meeting with new and existing Lions Quest Chairs and Executive Director of Lions Quest on Wednesday Aug 11, 2021.
- Meeting with a teacher from Palliser Regional Schools on Tuesday Sept 17, 2021, regarding the Lions Quest Resources for middle school and hoping that she will take the Lions Quest webinar training at the end of Aug.

- Distribution of Lions Quest Newsletter to all the clubs in District C2. Also sent a recorded webinar called What the Heck is Lions Quest.
- Contact with 4 teachers at RI Baker in Coaldale (Palliser Regional Schools) via email regarding resource and training.
- Arranged for 4 teachers from RI Baker to be trained and to receive resources. Training to occur Aug 31, 2021.
- Contacted principal of the Children of St. Martha's Elementary School in Lethbridge to see if I could meet and discuss Lions Quest.
- Met with Principal Shannon Collier and their Family First Facilitator Joanne Wolochaty regarding Lions Quest and possible training for the entire school.
- Set up training date for Children of St. Martha's, Nov 5. 10 teachers and 3 administrators will be trained on Lions Quest.
- Zoom Meeting with Lions Quest Chairs and Executive Director Joanne McQuiggan on Sept 27.
- Zoom Meeting with MDC Lions Quest Chair Suzanne Leshchyn and Carole Henson on Sept 27.
- Met with two teachers from RI Baker on Sept 29 regarding LQ training on Aug 31 and distributed Peace Poster information.
- \$1600 was donated by the West Lethbridge Lions club towards training my 17 teachers

#### **Report Lions Quest C1 Chair Carole Henson; Co-chair Gloria Sirski-Bates**

- I received an email from LQ Head Office saying that the Wandering River School in the Northern Lights SD has gone on to order a kit for each grade, K-6. When two teachers took the training, they were supplied with Grades 3 and 4. They ordered the Early Learners, and Grades 1, 2, 5, and 6. It's always the best scenario when there is a kit for each grade, and they are obviously very committed to the program.
- I am sending a thank you note together with the little Q-bear stuffy to the school and the list of activities and ideas as to how to use Q-Bear with the young students. I'm sure they will have fun with him.
- LCI Grant Final Report - the LCI Grant credit of 21 Teacher Kits has all been used up and it may be time to apply for another grant. It's quite clear that unless we can cover the cost of the workshops with grant money and Club donations, school divisions are just not going to cover the cost.
- August 26, 2021 – LQ Virtual Workshop had 3 teachers from Wandering River School and 4 teachers from Cold Lake Middle School attending. Both schools are in the Northern Lights SD. I contacted Grande Centre Lions Club and the club has sponsored the 4 teachers from Cold Lake and forwarded a cheque for \$1400 to C1 Cabinet Treasurer. This Club has a long history of participating in LQ sponsorship and has trained many teachers over the years.
- French Version of Lions Quest: There are no plans to translate the present Lions Quest material into French especially since Quebec is not on board. Just too costly.

## **MD C Lions Cavalcade for Diabetes Awareness – PCC Dennis Stevenson**

Diabetes Canada is providing diabetes awareness and education information to all who need it in a virtual manner using digital technology.

Over the course of 2021 to date there has been a series of online sessions called Peer Connect which provide diabetes awareness and education information to all Lions, Lioness and Leo's as well as the public. More detailed information has been sent to the Clubs in MD C. Attached to this report is the T1D and T2D poster for your information.

The Lions of Multiple District C are being recognized as the sponsoring organization of these Peer Connect sessions in Alberta, NWT and NE BC. Again, thank you all for your continued support of the Lions cavalcade for diabetes awareness project.

More information on the Peer Connect and the D-Camp projects will be available via our Lions cavalcade website which has been updated.

2020 and 2021 has been a year of many changes, in the way we provide service to our communities and to those with diabetes.

The Lions Cavalcade for Diabetes Awareness committee has decided to postpone our annual event in June 2021 until June 2022 due to COVID-19 situation, the host clubs for 2021 and 2022 have been advised and are willing to wait a year to host the annual event.

Due to the change in the way we are providing Diabetes Awareness we will be developing new methods of providing the needed diabetes awareness in conjunction with Diabetes Canada. More details coming soon.

## **MD C Website – Submitted By: PCC Dennis Stevenson**

The website is being reviewed and updated/changed as required with new information as it is received from contributors.

The main page of the new site is the place for MD C news and activities to be placed, there are also pages for the various MD C Chairpersons and Coordinators to have information placed on. If anyone has anything, they want on the website please send it to the Webmaster at pdg37e@sunraybase.ca

## **MD C Newsletter – Submitted By: PCC Dennis Stevenson**

At the request of the Council Chair, I have setup a newsletter for the Multiple District which is sent out after each Council meeting to report all the committee reports and any other news from the council meeting of interest to all MD C Lions, also any information that is available at time of publication will be included. Once the newsletter is published it will be available on the MD C website.
