

Dear Lions Clubs and Convention Registrants,

I hope you are doing well and feeling as excited as we are for the upcoming convention. As part of our commitment to serving our communities, we will be hosting a meaningful service project during the event.

To help us prepare, we kindly ask each attendee to bring an item or two to contribute to the projects.

Your participation will directly support our efforts and help us make a positive impact in the community.

Please bring: - Items that are new or gently used - Any supplies that align with our mission of service and support. Lists are below.

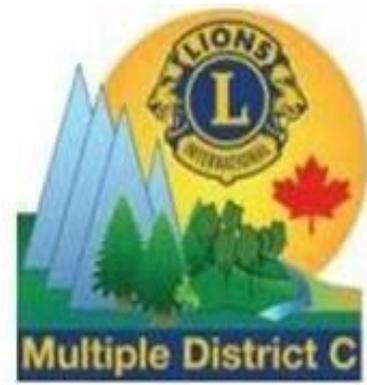

Your generosity and commitment to service are what make our Lions community so strong. Thank you in advance for helping us create a successful and impactful project. If you have any questions or would like more details, feel free to reach out.

With appreciation,

PCC Betty Ann Robson

| The Basics for Babies program provides young parents with a diaper bag filled with essentials to help them start their parenting journey with confidence. Each bag includes diapers, wipes, diaper cream, baby lotion and shampoo, a hairbrush and comb, a hooded towel and face cloth, socks, a receiving blanket or warm blanket, and a small toy. |
