Multiple District 37 & Multiple District C

History The Next 50 Years

1976-2026

Introduction

The Multiple District History, the Next 50 Years were written by PDG Eric Buttle and PDG Dan Claypool.

We were asked by the 2017-2018 Council of Governors to compile the Multiple District History by our Centennial in 2026. We accepted the challenge and the format was chosen based on the information we had. The information we used to compile the Multiple District History came from memory, from many Lions, from the websites of Lions Clubs International, Lions Foundation of Canada, Lions of Alberta Foundation, Lions Cavalcade for Diabetes, Lions Youth, S.T.A.R.S., Lions Sight Centre (Calgary), Lions Quest, C.N.I.B., Canadian Lions Eyeglass Recycling Centre (CLERC), MD Past District Governors Association, and through boxes from the archives from the Multiple District Office. Also, from the History of Lionism of Canada.

We have broken the next 50 years of the Multiple District History into Four Chapters. Each Chapter contains the following:
